Honored Rabbi Dr. Jung:

I am enclosing a complete review on the various programs of ITRI in Jerusalem. The staff, scholars and students, of ITRI would be very grateful to you if you would present this information before the Executive Board of the Joint Distribution Committee at their annual meeting.

Needless to say that an institute of such scope and accomplishment is indeed worthy of the support of the Joint Distribution Committee. We appeal to you to intervene on our behalf for help now, at a time when there are so many pressing demands to absorb even larger numbers of students and scholars.

Please accept our deepest appreciation for your kind consideration and help to our Institute's manifold programs.

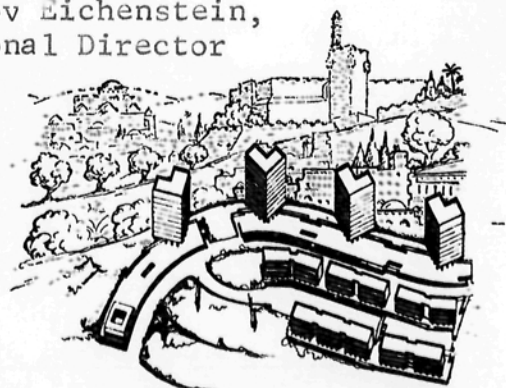

Respectfully yours,

Rabbi Eichenstein
